

Introduced by Senator Speier

January 14, 2005

Senate Resolution No. 9— Relative to federal expenditures.

1 *Resolved by the Senate of the State of California*, to minimize
2 the need for tax increases or cuts in vital programs to solve the
3 current budget crisis, the Senate urges the Governor to
4 vigorously pursue all opportunities to relieve the disparity
5 between the amount of taxes that California pays to the federal
6 government and the amount it receives in return in the form of
7 federal formula grants and other federal expenditures.
